

Strategy 2018- 2022

Mission Statement

Our Vision "The most community minded cricket club on the Sunshine Coast, with a focus on inclusivity' evolves with the continuity of building a culture of fun and community engagements. We will work to secure grants and other sustainable funding to promote opportunity, growth and diversity for our club. By actively developing structured pathways for our juniors, seniors and women cricketers, our vision remains ongoing for a positive and inclusive team & community experience.
